About Us

Based on Sydney's Northern Beaches, Allan Hall Human Resources has a highly skilled, diverse team of HR specialists to support employers with tailored, outsourced HR consulting services. We share a passion for helping clients to achieve their business goals through having the right employees in place who are happy, motivated and high performing.

Our Human Resources team will provide you with all the benefits of a dedicated internal HR professional, without the expense. We can support any business requirement by effectively drawing upon the diverse experience and qualifications within our team and will allocate your project to the most suitable team member based on an aligned skill set. We also have close alliances and access to specialist providers, including employment law specialists.

We will provide you with a high level of professionalism, personalised service and integrity.

Our HR Team

Key Services

General HR Advice & Support

Are you seeking to remain compliant with relevant legislation, reducing the likelihood of employee claims and compliance breaches? Or is best-practice employee management, increasing efficiencies and profitability on your agenda?

Whatever your objective, our flexible support arrangements will be tailored to achieve the needs of your business.

Recruitment

Our recruitment services offer a fresh approach to finding the best candidates for your business while delivering value for money. We customise our recruitment services in line with our client's hiring needs so you only pay for the services you require. Our hourly rate results in cost effective and transparent fees.

Psychometric Testing

The increasingly competitive business environment has led to psychometric testing becoming a popular tool, used by both small and large businesses to ensure they have the best possible team with the right people in the right positions.

We have built a strong reputation for our expertise and responsiveness in providing cost effective, tailored psychometric assessment services to assist our clients in areas such as recruitment, career development, team building, succession planning and performance management.

Training

We have over 25 years' experience developing and delivering tailored, practical training programs to clients Australia wide. Whether you are looking to enhance your team's people management skills or wanting to improve their time management skills, we have a training program we can tailor to suit your needs.

Key Services

Investigation & Mediation

Do you lack the expertise or resources to deal with complaints effectively and efficiently? We offer mediation services which can be the most effective way to resolve workplace complaints and improve ongoing working relationships. Other complaints, such as serious allegations of inappropriate workplace conduct may require investigation. Our skilled and experienced HR advisors can help you determine the best way forward and can help you to deal with complaints in a timely, cost efficient and confidential manner.

HR Compliance & Audit

Our compliance audit will provide you greater peace of mind that you have correctly classified workers and are conducting operations in accordance with Australia's broad and complex workplace legislation requirements.

Industrial Relations

Our expert HR Consultants have been supporting employers across a broad range of industries to achieve their desired outcomes in the area of Industrial Relations for nearly 40 years.

By providing you with a wealth of experience in negotiation, relevant legislation and best-practice approaches, you will feel confident that your issues are being tackled thoroughly and professionally.

Our Human Resources team is waiting to help you.
